

"Education is not a destination, but a journey in itself that turns an entity into a human being which is the biggest need of the hour. We at Ambience Academy, believe that every child is endowed with a unique set of attributes, which needs to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence and all-round development and ensures their well-being. Education cannot be confined to a limited objective of making the student literal, but a holistic approach is required to ensure the overall development of personality of the student. The school executes, varieties of activities and event to make learning a world class. We inculcate positive attitude in the student and to provide a child-centred approach to education to enhance basic life skills and create an environment that promotes self belief, critical thinking, value of honesty, perseverance and compassion and thus empower them to be self-reliant. We are committed for the enlightenment and all-round development of our students.

DIRECTOR
MESSAGE

Ambience Academy is Co-Educational institution Pursuing academic brilliance & all-round excellence. The school stands for fortitude and discipline, honing the skills involved in academics, sports and co-curricular activities. Our Aim is to build citizens, India will be proud of.

SCHOOL
Building

FACULTY

All teachers at the Ambience Academy are core professionals and children friendly we believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to co-operate, all intellectual domains, teachers create an invigorating ambience that kindles the curiosity of every child.

PRINCIPAL
MESSAGE

"Education breeds confidence, confidence breeds hope, hope breeds peace. Dear Parents Ambience Academy with its emphasis on child-centric education is dedicated to enlighten students to the confidence and hope required to design their lives in the best way suited to survive the challenges posed by the competitive world. Our focus is to provide quality education in a lively and engaging students friendly environment for the holistic development of these children. Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of an ever-changing global society. Through this Prospectus, which is a glimpse of our school, we welcome you all to cherish the journey of your child's education. Our is unique approach to provide your child an environment, which will capacitate your gem to explore himself and to get developed to the extent where he may be a successful professional and an individual learning his work in the galaxy of success. "Education is the ability to meet life's situations."

"Dr John Hibben

Thanks Warm Regards
Mrs. Mnu Manoj Gupta

HOUSE SYSTEM & Transport Facility

HOUSE SYSTEM

The house system has a special relevance at Ambience Academy the school is divided into four houses Purna, Pragati, Prayas, Prakash, each house is autonomous unit under the care of a house mistress/masters and its council leaders. It is a structured community within which students learn loyalty, responsibility and leadership

TRANSPORT FACILITY

The School manages a fleet of van and buses for providing transport facility to the students and members of the teaching staff

SCHOOL BAND

Ambience Academy has an extremely well trained school selected group of children from 5 to 8 constitute the school band the school band gives display of its prowess on important occasions like independence day republic day sports day and Investiture ceremony

WHY TO CHOOSE AMBIENCE ACADEMY

LIBRARY

The school library is a hub of intellectual activities and is rich in reading material and reference resources which provide information and ideas that are fundamental to functioning successfully in today's information and knowledge based society

SCIENCE LABS

We make sure that in our Physics, Chemistry and Biology lab our students are provided with all the facilities required for gaining practical experience and attaining cognitive goals. A hub of modern facilities equips our science lab bring learning to life as students get to explore experiments and draw their own conclusions.

IT LAB

Computer classes in schools are important for well rounded education. Students at Ambience Academy are instructed on the basic of computer use as class 11. Educational software is presented in a game like format to entertain the youngest students while they learn key concepts.

ART & CRAFT

In art and craft classes our students are taught a variety of skills like creativity, confidence, casual learning, decision making, collaboration and accountability.

DIVE INTO DIVERSITY CO-CURRICULAR ACTIVITIES

Beyond the conventional classroom a child acquires many critical skills and qualities crucial for holistic development. To that end Ambience Academy incorporate a compulsory co-curricular programme that enriches the educational journey every student.

Students are privileged to get to visit the Bindal paper mill where they got to witness the production of craft, paper and craft, boards. Efficient and responsible usage of resources by the company was a site to be held

Students visit to a university campus was a valuable and enlightening experience. They filled with anticipation and curiosity.

At our campus was a celebration of innovation and creativity. It was an exciting showcase of scientific, environmental and cultural exploration.

School organises Rangoli competition to showcase the talents of the children. Students get inspired and try out new things.

The music classes in our school serves as a platform for creativity, tiny musicians of all generous and skill levels. It enables them to learn vocals, rhythm, and pitch in singing and to use instruments like drums, keyboard and guitar. It also helps to showcase their talent at various events in inter house competitions.
